EDITORIAL NOTICE.

The Archives of Ophthalmology is a bi-monthly journal, published in annual volumes of about six hundred pages each, extensively illustrated with cuts in the text, half-tone text-plates, and lithographic plates.

About three quarters of the space is devoted to original papers, and the remaining quarter to a systematic report on the progress of ophthalmology, and to reports of societies, book reviews, and miscellaneous notes, all of it original.

The papers and reports are original and are accepted only with the understanding that they are to be published in this journal exclusively.

The subscription price of the ARCHIVES OF OPHTHALMOLOGY is $6.00 per year payable in advance. The price per number is $1.00.

The ARCHIVES is sent postage free in the United States, Canada, Mexico, Cuba, and our insular possessions.
